

## about toothsi

**What's a selfie without a smile?  
There's always a reason to smile, find it.**

The smile makeover champion, toothsi, is a part of AMPA Orthodontics, a series B-funded fast-growing startup with a presence in 13 Indian cities and spreading rapidly within India and internationally. Our teams of expert orthodontists and dermatologists are making self-care services accessible to all at the click of a button. We've designed over 65,000+ smiles and counting. What sets us apart is our transparency in our corporate culture and our legendary aligners, our flexible work-life balance and personalised aligners, and our magical work that you will see right from social media, all the way to our client's doorsteps.

toothsi provides customised at-home smile makeover solutions by utilising revolutionary Clear Aligner technology to make teeth straightening hassle-free and affordable. Our skincare brand skinnsi was launched in August 2020 to provide safe, convenient, and expert-backed solutions for all skin-related problems. The advanced technology, the amazing corporate benefits, the fun workplace, and the legendary teams are just the beginning of what you'll experience in a day at toothsi.

If you're looking for more reasons to smile, join us and we'll give you one!
